Welcome to Camp Davy Crockett

Welcome to the 2018 summer camp season at Camp Davy Crockett. Our summer camp staff is looking forward to seeing you and your scouts this summer and to having yet another fantastic season with you.

Camp Davy Crockett, located in the foothills of the smokies, has 1865 acres of beautiful outdoors including 8 miles of shoreline on Cherokee lake. Camp Davy Crockett has all the ingredients for fun: motor boats, sailboats, canoes, kayaks, swimming pool, paddle boards, rifle range, shotgun range, archery range, as well as over 75 merit badges and other programs.

Since we wrapped up the 2017 camp season, we have been working hard and we have an outstanding program prepared for you; so please make an effort to read this guidebook, as it will help answer most of the questions you may have.

We have several additional programs coming together that can be a great addition for your unit. Some of those are: BSA Paddlecraft Safety, Signs, Signals & Codes merit badge, Game Design merit badge, Search & Rescue merit badge and many more.

At this point your Scouts should be getting excited for camp!

Again, we welcome you to Camp Davy Crockett. We look forward to the interaction and relationships that will develop this summer. Please feel free to contact us with any questions or concerns prior to or during your stay at Camp Davy Crockett.

Yours in Scouting,

Why Attend Camp Davy Crockett

Camp Davy Crockett has a quality staff dedicated to the fun and well being of the Scouts and Scouters that attend each year.

Camp Davy Crockett offers over 75 Merit Badges as well as other fun and challenging programs.

Camp Davy Crockett is a Nationally Accredited Summer camp with a 5 year accreditation!

THE PURPOSE

The purpose of Scout camp is to build strength through day-to-day activities of pure Scouting for patrols, troops and most importantly for the individual Scouts. It is the policy of the Sequoyah Council, Boy Scouts of America, to provide the best possible camping experience to all Scouts, regardless of race, creed, nationality or religious preference.

CODE OF CONDUCT

The Code of Conduct at camp is simply the Scout Oath and Scout Law. If we try to adhere to these guiding principles, everyone will have the maximum amount of fun while at camp.

Scouting: A Program For Everyone

The programs offered by the Sequoyah Council at Camp Davy Crockett are open to all registered Boy Scouts.

INFORMATION SUBJECT TO CHANGE

We have made every effort to include the most up to date information in this guide. However, depending on camp enrollment, staffing, changes in the national BSA program, and / or circumstances beyond our control; the information in this guide may need to be changed. These will be made at the discretion of the camp administration. If changes are needed, they will be announced in the Crockett Chatters, at check-in or during leader's meetings.

Pre-Camp Information & Procedures

1. Organization before camp is critical! Troops and boys must make choices regarding what they want to accomplish during their stay at Camp Davy Crockett. Units that come unprepared will be denying their Scouts a great camp experience as they work to catch up.
2. Read this Guide entirely. The information contained in this guide will help returning as well as new units navigate the registration process for Camp Davy Crockett.
3. Camp Davy Crockett Staff. Our staff has a reputation for having a great relationship with the Scouts and Leaders that attend camp. Please help us work together to give our youth the best possible experience.
4. Ask questions. Our Council Office staff is ready to answer your questions prior to arriving at Camp Davy Crockett and our Summer Camp staff will answer any questions that you have once you have arrived, so do not hesitate to ask.

Two Types of Scout Camping

Traditional Camping:

Campers are housed in two-man canvas tents on wood platforms or in one of our new cabins with cots and mattresses furnished for each camper and adult. Meals will be provided in our dining hall.

Provisional Camping:

Scouts who are unable to attend during their unit's week at camp, or wish to attend an additional week of camp (at a reduced rate of \$145.00) should consider attending camp as a provisional camper. Scouts who would like to attend as a provisional camper need to fill out the provisional scout form found on the camp's website and send it to the council office.

Accommodating Special Needs

Our camp staff is committed to fully include all Scouts in all aspects of the summer camp program. Meeting the needs of all campers and leaders requires minor adaptations of our facilities. Special menus, accessible sites and other provisions can be made for Scouts and leaders because of physical disabilities, learning disabilities, medical conditions, particular dietary requirements or other special needs. Unit leaders who have a special needs request, should fill out the special needs request form included in the appendix and submit it at least 2 weeks in advance of your unit arriving at camp.

Refund Policy

The following policy statement is applicable to all Council and District events where a fee is collected. This includes Summer Camp. A refund form should be requested.

- Written refund requests will be considered only if received in the council office 10 days prior to the start of camp.
- Written refund requests submitted after the event will be considered only for personal illness or family emergencies. No refund requests will be accepted after 10 days following the close of camp.
- A service charge of twenty-five percent 25% of the full activity fee will be assessed on all refunds.
- Refund checks will be issued within thirty 30 days following the close of camp.
- Fees are only transferable within the same activity to a Scout not currently registered for the event.

If a refund is due, units will receive the refund as a council check mailed to the contact address on file. Please allow at least 4-6 weeks for delivery.

Please note that we cannot offer refunds for Scouts who leave camp early and under no circumstances may any refunds be carried over to the following summer.

Leaders in Camp

All units are required to have at least two adult leaders in camp at all times. This policy is required by the Boy Scouts of America. All leaders must be registered members of the BSA, and must meet the qualifications for the leadership position in which they serve. The unit leader must be at least 21 years of age. Additional leaders must be at least 18 years of age. Parents, committee members and other adults who accompany the unit to camp, must meet all of the above requirements. Additional leaders above the free leaders will be charged \$120.00 .

Leaders may rotate when necessary, however, we recommend having consistent leadership throughout your unit's stay at camp. Rotation of leaders can give way to situations that are not conducive to the positive influences of a week of summer camp.

Units that rotate leaders during the week, can fill a leader-space with more than one person staying different parts of the week. For example, one leader might stay the first half of the week and another the second half of the week. If two leaders do not stay in camp at the same time, they use only one leader-space and pay the fee for one leader-space. Leaders should plan to share tents/cabins since the camp will only provide one tent for every two leaders or 1 cabin for every four leaders.

Pre-Camp Information & Procedures

Class registration opens December 1, 2017. At this time you will use the steps below to sign your scouts and leaders up for classes and programs at CDC. To assist you with this process, we have included a Scout Registration Worksheet at the end of this guide and on our website. Please reproduce these for each of your Scouts. You will need the information at the top of that form for each Scout when you register them. You will also need your adult leader shirt sizes and their latest Youth Protection Training date.

If you need to change the physical number of scouts or leaders that you will be bringing, you must call the Council Service Center at 423-952-6961. Those numbers can only be changed at the office.

The Advancement Program

Camp Davy Crockett offers advancement programs for Scouts of all levels including Eagle Bound Program, COPE, Frontier Camp and merit badges for all skill levels.

Planning your Unit's Program at Camp

To get the most out of your summer camping experience, time should be dedicated to planning your Unit's program prior to arriving at camp. We encourage the Scouts to take a front seat in planning their own experience at camp. Regardless of their rank, Scouts will be able to plan a schedule that allows them to get the most out of camp and the Scouting program. First year campers can find details about an exciting summer camp experience in the Eagle Bound Program on page 12. Older Scouts may want to sign up for programs geared toward them, while all Scouts can discover more about the merit badges offered at Camp Davy Crockett beginning on page 13. Remember that a Scout's week at camp should not be solely measured or defined by making progress towards rank advancement or earning merit badges and other awards. It will be remembered based on their experiences and adventures, daring to try new things, failing and succeeding and trying it themselves. It is a good idea not to over-schedule your Scouts. You should allow them at least one open period during the day so that they can take advantage of other activities (open shoots, open swims and open boating) during those sessions.

Merit Badge Registration

Camp Davy Crockett offers Merit Badge preregistration. Registering for merit badges before arrival will allow Scouts, leaders and camp staff to better prepare for the Scout's week at camp. Merit badge preregistration will be completed online by your camp liaison. The unit's liaison will receive a link to the online registration once it opens and we have received your 2018 deposit. Early merit badge preregistration will begin on December 1, 2017.

This year Camp Davy Crockett will be offering the following new programs:

Moviemaking MB	Personal Fitness MB	Citizenship in the Nation MB
Radio MB	Programming MB	Signs, Signals & Codes MB
Search & Rescue MB	Inventing MB	Game Design MB
Crime Prevention MB	Fingerprinting MB	
BSA Aquatics Supervision: Paddlecraft Safety Basic Course		
The Crockett Experience		

While we try to keep all merit badge classes open, safety and materials sometimes dictate that certain classes be limited in size. Any Scout who did not get to preregister or needs to amend their schedule will have the opportunity to do so during check-in on Sunday. The Merit Badge Schedule worksheet is found in the appendix. This worksheet allows Scouts to better schedule their merit badges.

Eagle Bound Program

Camp Davy Crockett's Eagle Bound Program runs three rank specific classes. Each class will be taught in the morning and again in the afternoon. This is to allow participants to earn merit badges and work on other free time activities. The three classes will be Tenderfoot, Second Class, and First Class. Unit leaders should consider each Scout individually when deciding whether he should sign up for this program. If a scout has already earned a rank, please do not sign him up for that class. Please have the scout bring his Handbook with the completed requirements up to date each day to class.

The program is comprehensive and takes a great deal of time. Leader assistance is welcome. Scout leaders should allocate time each evening to help and encourage their Eagle Bound participants. Scouts will also have the opportunity to participate in an overnighter Thursday evening under the supervision of our staff and unit leaders.

Please do not schedule all your Scouts for the same sessions and note that each scout should only take each class once, i.e. your Scout should not take both morning and afternoon Tenderfoot classes.

The following list of equipment needed for Eagle Bound:

Boy Scout handbook
Poncho
Rope-20 feet $\frac{1}{4}$ "
Canteen/Water bottle
Personal first aid kit
Hiking boots
Scout knife
Compass

Merit Badge Program

The merit badge program is the cornerstone of the summer camp program.

Most merit badges can be completed at camp, however, there are a few that need some additional work at home because of time requirements, special projects, or other considerations. In addition, some merit badges require prerequisites or practice to develop proficiency in specific skills.

It is a good idea not to overschedule your Scouts. You should allow them at least one open period during the day so that they can take advantage of other activities (open shoots, open swims and open boating) during those sessions.

Program Opportunities

Age, Maturity and Skill Level

Please keep in mind that the unit leader is responsible for ensuring that all Scouts meet age, maturity and skill level requirements for all sessions. On the first day of sessions, instructors will verify participant qualifications to ensure all required qualifications are met. Please note the programs listed that have specific requirements for enrollment.

Partials & Pre-Requisites

Some Scouts will complete only sections of badges with pre-requisites or that are very difficult. They then can complete them with another counselor at home. As stated in national policy, partial merit badges can be completed up until the Scout turns 18.

Program Opportunities

Chaplaincy Program

The Chaplaincy Program at Camp Davy Crockett is an ever evolving and challenging endeavor. God is recognized as the driving force behind all parts of the program. It is only through His guidance and blessings that success is ours to enjoy. As expressed in the Scout Oath, let us always keep Him first in what we do.

Campers and leaders have two opportunities to attend worship during their week at camp, Sunday and Wednesday evenings at 7:45 PM. Devotions are conducted each day after breakfast and after lunch.

Camp Davy Crockett also has several opportunities for youth and adults to participate in our religious award program.

CDC Religious Award. There are 5 levels to this program.

To earn the patch, you answer questions and do projects to reflect your faith in god.

Additionally 4 segments may be earned by doing additional projects and essays increasing in depth to your faith in God. These are earned in the following order: Worship, Duty, Service and Future.

Chaplain's Challenge*

Follow compass course and answer difficult questions from the Bible.

Bible Trivia*

Teams of 2 answer 5-10 questions randomly selected from the Bible.

If you are interested in helping during the services (reading scripture, saying prayers, etc.) Please let the chaplain know on Sunday.

We want your week at camp to be special and exciting. If we can do anything to help you, please let us know.

* Challenges/Competitions are youth against youth and adults against adults.

Check-in Procedures

Check-in

Units should plan to arrive at Davy Crockett between 1:00 - 3:00 p.m. on Sunday. Arriving as close to 1:00 allows for enough time to get you checked in, your camp tour and swim checks to be completed on Sunday. Arriving with your swimsuits on and ready for swim checks will speed up the check-in process.

Upon arrival to camp, immediately park in the headquarters building parking lot (Do not block the road). Scoutmasters should report to the Headquarters porch with a final count of Scouts and leaders, registration changes and have copies of the unit's medical forms and written explanation for any boy who needs special medical treatment.

OUT OF COUNCIL UNITS MUST FURNISH PROOF OF ACCIDENT AND SICKNESS INSURANCE.

A guide will be assigned to assist the unit through the check-in process. Everyone must have a current health form completely filled out. To best facilitate this process, all members of the unit are asked to arrive at camp at the same time.

Vehicles are not to be parked in the campsite during the week. Unit vehicles will be permitted into campsites during check-in and check-out, for the purpose of loading and unloading personal and unit equipment. While driving in camp, please observe the camp speed limit of 5 miles per hour. No vehicles including golf carts, will be allowed to operate in camp or be parked in the campsite after check-in on Sunday without permission of the Camp Director.

Individuals with special needs should contact the Council office prior to arrival. For persons requiring mobility assistance, vehicle permits will be issued by the Camp Director during check-in on Sunday. The camp does not furnish transportation for special needs individuals.

NO ONE IS ALLOWED TO RIDE IN THE BACK OF PICKUP TRUCKS.

Camp Tour

Once you have checked-in, your unit will take a mandatory camp tour. This tour includes locations of various program areas, the trading post, dining hall and other areas of interest. Swim checks will be done during the tour. Camp policy states swim checks have to be taken at camp.

Leader's Meeting

At 5:00 PM on Sunday there will be a meeting of all Scoutmasters and Senior Patrol Leaders at the Headquarters Building. At this meeting, members of the camp staff will give an overview of camp policies and procedures, and special program activities that will be offered during the week. This meeting will also provide an opportunity to answer any questions about your week at summer camp.

Camp Facilities

Good Stewardship

Camp Davy Crockett is a year-round camping facility maintained by the Sequoyah Council. The Camp Ranger, Council Camping and Outdoor Programs Committee and Sequoyah Lodge work hard to maintain and improve the facilities. The continued improvement of our summer camp program is dependent on the care of our facilities. Scouts and Leaders must be good stewards of the facilities, equipment and environment so that they may remain for others to enjoy in future years.

Campsite Equipment

Each site is equipped with canvas tents, platforms, cots and mattresses and 8 person cabins based on the capacity for your site. All sites have a latrine, wash facilities, and covered picnic tables. Equipment such as bow-saws, rakes and shovels may be signed-out from the Quartermaster and must be returned prior to departure. Unit leaders are responsible for proper use and care of all equipment in your site. Your site will be inspected during check-in and check-out. Units will be charged for repair or replacement of property and equipment damaged due to misuse. Please inform the Camp Office of accidental damage as soon as it occurs.

Campsite Inspections

Campsites will be inspected at least twice during the week for cleanliness, safety and camp craft projects. Units are responsible for all trails leading from the main road to their campsite. They are also responsible for the main road in front of their campsite. Campsite inspection procedures will be discussed further at the Sunday afternoon leader's meeting.

Campsite Policies

Please make sure your Scouts understand the importance of these policies.

- **Camp Tents/Cabins:** In order to maintain the quality and durability of our tents & cabins, we ask that you not tack, pin or nail anything to the tents or cabins, their poles, or platforms. No open flames or insect spray is allowed in tents or cabins. Any damages incurred will be the troop's financial responsibility. No hammocks allowed inside or attached to cabins.
- **Campfires** are a potential hazard in camp; particularly, if drought conditions exist. Campers must be cautious with fire following the guidelines of the Camp Fire Guard Plan and Outdoor Code. During times of extreme drought or high heat, a ban on open fires may be imposed. You will be notified if those conditions are in effect.
- **Quiet Time:** Scouts need approximately 8 hours of rest daily. Leaders are expected to set the example by respecting quiet times for the benefit of neighboring campers. Please keep activities to a minimum between the hours of 11:00 p.m. and 7:00 a.m. During those hours, campers may not be out of their site without adult supervision. Scouts should be out of the shower area by 10:30 p.m. and back to their campsite by 11:00 p.m.

Camp Facilities & Policies

Public Areas of Responsibility

Units are expected to cooperate and take their turn cleaning the showers. Shower cleaning must be completed by 9:00 AM each day. Shower cleaning will be considered as part of your campsite inspection score. Unit shower cleaning can be scheduled at the leader's meeting on Sunday or during the morning leader's meetings.

Campsite Trash

All trash in the campsite should be bagged and taken to the dumpster behind the Dining Hall each night before Taps.

Camp Meals

Unless otherwise arranged, all meals are prepared by the Dining Hall staff and are served cafeteria style. Scouts sit by units. The morning and evening meals will be preceded by a flag ceremony at the parade field. For the midday meal, Scouts will report directly to the Dining Hall. Special dietary needs should be reported on the Special Needs Form at least two weeks prior to arrival at camp. We will do our best to accommodate such requests with the food that we have available. For specific dietary requirements, supplements should be brought from home.

Please Note: Scouts must wear shoes and a shirt AT ALL times while in the Dining Hall. A full field uniform is the dress for all evening meals. No food is to be carried out of the Dining Hall.

Scoutmaster's Lounge

This is the gathering place, only for adult leaders, located inside the headquarters building. It is air-conditioned for relaxing and limited internet access.

Scouts who are leaving camp early will need to check out at the Camp Director's office while being accompanied by an adult from the unit to authorize the departure. Unit leaders should encourage all guests and visitors to depart by 10:00 p.m. If there are particular concerns of an individual Scout's well-being and protection, the unit leader should contact the Camp Director.

Camp Visitors
