Calendar Revisions!!

The Parish Office has informed us that we cannot meet anywhere at St. Ignatius on either August 19 or August 26 due to the festival and construction. This will cause a backup in our calendar. Here are the changes:

- Monday, August 19 — No meeting
- Monday, August 26 — Committee meeting to be held at Veterans Park shelter (Harrison Avenue).
- Monday, September 2 — No Meeting (Labor Day)
- Monday, September 9 — Regular Meeting
- Monday, September 16 — Regular Meeting
- Monday, September 23 — Court of Honor
- Thursday, September 26 — Committee Meeting (location to be announced)

Festival 2002

Once again the Troop has volunteered to help with setup and takedown for the St. Ignatius Festival. Our night to help with setup in Thursday, August 22. Boys should be up at St. I at 6:00PM in their green Troop t-shirts, ready to work! Then on Monday, August 26, all Scouts who are St. I students (everyone else will be in school) should come at 9:00AM. This is a **MANDATORY** function. If you cannot make it, please contact Mr. Montagne.

Camp Friedlander

Make a note: Our week for summer camp next year is scheduled for July 13 — 19.

September Campout

The weekend of September 22 — 22 the Troop will try once again, weather permitting, to go canoeing on the Whitewater River in Indiana. A permission slip is enclosed. The cost, including canoe rental, is \$27 per person. Permission slips and money are due September 16.

Boards of Review

With the Court of Honor scheduled for September 23, Scouts who are ready to advance in rank will need to schedule Boards of Review with Mr. Brown for either September 9 or September 16. In the meantime, Scouts should be finishing up those last-minute requirements.

The ever-popular, all-Dan Beard Council camporee known as Peterloon is coming up October 11 — 13. Over 4,000 Scouts will be there and so will Troop 850! We'll need to know who wishes to attend as soon as possible, preferably by September 9. That's because we must pre-register by September 13, and the size of our allotted campsite will be determined by the number pre-registering. A permission slip is enclosed. The cost is \$16.
