October Campout Reminder

Remember, the October campout is a "Wilderness Survival" weekend in nearby Miami Whitewater Forest October 17 — 19. Permission slips were mailed last month and are available at www.troop850.org. The turn-in deadline is October 7.

Annual Boy Scout/Cub Scout Overnight

Our annual campout with the Pack 850 Webelos is Saturday, November 1 and Sunday, November 2. We need a number of our Scouts to attend to show the Webelos what it's all about. There is no cost to the Boy Scouts who attend! A permission slip is enclosed.

November Campout

All First Class and above Scouts are invited to go backpacking the weekend of November 14 — 16, location yet to be determined. A permission slip is enclosed.

New Meeting Location

Now that the new school addition is open, the Parish has moved our meeting space to the new cafeteria.

2004 High Adventure

Please see the [2004 High Adventure Fact Sheet](#) for details about our trip to the Boundary Waters Canoe Area in northern Minnesota next June.

Merit Badge Challenge

The 2004 Merit Badge Challenge is now accepting reservations. Details are enclosed. Also see www.troop850.org. We hope to submit a group of reservations on behalf of the Troop right after our October 7 meeting. After that you can register individually directly with the Council. This is a great wintertime opportunity to earn up to three indoor-oriented merit badges. For those new to the process, adult leaders will be available at the October 7 meeting to help with the process.

Happy Halloween!!
