ADVANCE PLANNING FOR AUGUST CAMPOUT

In August we will once more visit Fort Knox for a long weekend. This is always a very popular campout as activities include visiting the Patten Tank Museum and using the Army's tank and helicopter simulators, among other things. In order to get simulator time on Friday, we leave Thursday evening (August 6) and return Sunday, August 9. Due to the anticipated attendance, we need as many adult drivers as possible — if you can help out, please let Mr. Rottmueller or Mr. Matthews know.
