Vol.15, Issue 4

August, 2009

## Festival Setup

As we do every year, Troop 850 will be helping St. Ignace set-up for the annual festival. This is a **mandatory** service project for all Scouts! Set-up starts at 6:00 PM on Thursday, August 20, and take-down begins at 8:30 AM on Monday the 24th. We will wear our newest T-shirts, the lime green ones, on both days.

## SCHEDULE NOTES

The Committee meeting scheduled for Tuesday, August 4 has been cancelled due to Festival preparations at St. Ignace — they are not permitting any non-festival activities that night.

The regular meeting of the Patrol Leaders' Council will take place at 5:30 PM in the Cafeteria, right before the Troop meeting, on August 11. Dinner will be served.

## SEPTEMBER CAMPOUT

The Troop will be taking a canoe trip on the Whitewater River the weekend of September 11-13. We will be camping out at the Bear Creek Scout Camp near Brookeville and will rent canoes from Morgan's Canoe Livery in Brookeville. The total cost will be \$32, including canoe rental. A permission slip is enclosed.
