Summer Camp Update

A permission slip is enclosed for summer camp at Camp Ransburg — please return completed and signed to Mr. Matthews **ASAP**. Medical forms and final payments are also due **ASAP**. **ALSO** — Camp Ransburg requires us to provide them with a photocopy of each camper's **health insurance card** — they won't admit anyone without it. So please make copies and submit to Mr. Matthews **ASAP**. We have a large, enthusiastic group this year and it should be a great week for all!!

High Adventure

A permission slip is also enclosed for this year's High Adventure trip to West Virginia's New River — please return completed and signed to Mr. Schuetz **ASAP**. Final payments are also due **ASAP**.

August Campout

Yet another permission slip is enclosed for our campout August 13 — 15, caving in Renfro Valley, KY. For this trip, a liability release (also enclosed) is also required. On July 13, we'll have an introduction to caving feature in the regular Troop meeting — anyone planning to go caving in August should make every effort to attend!! This will be a great trip for both novice cavers and wizened veterans — our guides will lead separate groups based on ability. This is always a very popular outing.

Request

Almost every troop activity results in personal items left behind!! Scout handbooks and Troop t-shirts are, of course, identical, and we have no way of reuniting a boy with his lost items unless they are labeled with his name!! So please be sure to put your name on these and other items.
